■ ResortHotelSoftware Zakopane – Chapter 1

In the heart of the Tatra Mountains, among the snow-capped peaks and the scent of pine trees, lies ResortHotelSoftware Zakopane - a place where reality fades away and the game begins.

Here, modern hospitality technologies and the mountain tradition of Poland are combined. The hotel space is created for those who want to escape from the noise of the world and feel true comfort - in every room, in every cup of mulled wine, in every movement of the snow outside the window.

ResortHotelSoftware is not just a hotel. It is an adventure where each guest becomes a player in their own vacation scenario. From the spa area to mini-quests in the style of "alpine escape", from the silence of the fireplace room to evenings with gamified entertainment - everything here is about you, about your peace, your pleasure, your "here and now".

■ Address: Krupówki 8, Zakopane, Poland

■ Contacts: +48 78 805 51 82 | tohittouquifoi-8147@yopmail.com

■ Only guests aged 18 and over can use gaming services.
